The criteria for compliance with this Section shall be determined by the Board of Directors.

5.7 AMENDED AND RESTATED ARTICLES AND BYLAWS. The purposes and powers of the Association and the rights and obligations with respect to Members set forth in this Amended and Restated Declaration may and shall be amplified by provisions of the Amended and Restated Articles of Incorporation and Bylaws of the Association. In the event either the Amended and Restated Articles or Bylaws conflict with the Amended and Restated Declaration, the Amended and Restated Declaration shall control. In the event the Amended and Restated Articles conflict with the Bylaws, the Amended and Restated Articles shall control.

5.8 MEMBERSHIP. Every Person that is a record Owner of a fee interest in any Lot shall be a Member of the Association, including contract sellers; provided that any Person holding such interest merely as security for the performance of an obligation shall not be a Member. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Ownership of a Lot shall be the sole qualification for such membership. Where more than one Person holds an interest in any Lot, all such Persons shall be Members.

5.9 VOTING RIGHTS. The association shall have one class of voting memberships. All Owners shall be entitled to one vote for each Lot owned.

The vote for a Lot, the ownership of which is held by more than one Owner, may be exercised by any one of them, unless an objection or protest by any other holder of an interest in the Lot is made prior to the completion of the vote, in which case the vote for such Lot shall be exercised as the persons holding such interest shall determine among themselves. Should the joint Owners of a Lot be unable, within a reasonable time, to agree upon how they will vote on any issue, they shall be passed over and their right to vote on such issue shall be lost. In no event shall more than one vote be cast with respect to any Lot.

5.10 INDEMNIFICATION. The Association shall indemnify every director, officer, agent, or employee, and any former director, officer, agent or employee, against loss, costs, and expense, including counsel fees reasonably incurred in connection with any action, suit, or proceeding in which such Person may be made a party by reason of being, or having been, such director, officer, agent or employee of the association, except as to matters concerning which such Person shall be finally adjudged to be liable for gross negligence or fraud. Any such indemnification shall be limited to and may only be paid out of the insurance proceeds provided by an insurer furnishing officers and directors errors and omissions insurance coverage or similar protection and any other insurance protecting the Association from liability because of the negligent acts of its servants, including insurance covering motor vehicles or public liability, property damage, medical and other similar coverage, it being the intent and purpose of this paragraph to limit all payments or settlements in indemnification to the actual proceeds of insurance policies received by the Association, provided, however, any deductible shall be paid by the Association.

In the event of a settlement, the settlement shall be approved by the insurance carrier and paid for by the insurance carrier out of the insurance proceeds.

If the Association's address or Managing Agent changes, the Association shall provide all Owners with an amended notice within ninety (90) days after the change.

5.12 CERTAIN RIGHTS AND OBLIGATIONS OF THE ASSOCIATION.

a) Association as Attorney-in-Fact for Owners. The Board of Directors is hereby irrevocably appointed attorney-in-fact for the Owners, and each of them, to manage, control and deal with the interest of such Owner in the Properties so as to permit the Association to fulfill all of its duties and obligations hereunder. The acceptance by any person of any interest in any Lot shall constitute an appointment of the Board of Directors as attorney-in-fact as provided herein. The Board of Directors shall be granted all of the powers necessary to govern, manage, maintain, repair, administer and regulate the Properties and to perform all of the duties required of it.

b) Contract, Licenses and Other Agreements. The Board of Directors shall have the right to enter into, grant, perform or enforce: contracts, easements, licenses, agreements, and/or right-of-ways, for use by Owners, their Guests, and other Persons, concerning the Common Areas and any improvements located thereon. Any such contracts, licenses, leases, agreements, easements and/or right-of-ways shall be upon such terms and conditions as may be agreed to from time to time by the Board of Directors, without the necessity of the consent thereto, or joinder therein, by the Owners or First Mortgagees which include provisions obligating the Association to pay part or all of the costs and expenses of maintaining and repairing the Common Areas. Such cost shall be treated by the Board of Directors as a portion of the Annual Assessment for Common Expenses pursuant to paragraph 6.2 (a) hereof.

ARTICLE SIX: ASSESSMENTS

6.1 CREATION OF THE LIEN AND PERSONAL OBLIGATION OF THE OWNERS. Any Owner of any Lot by acceptance of a deed, is deemed to covenant and agree to assessments to be fixed, established and collected from time to time as created and defined in this Amended and Restated Declaration, together with late fees, costs of collection and attorney's fees. Such assessments shall be:

a) A charge on the Lot and shall be a continuing lien upon the Lot against which each such assessment was levied, which lien shall attach as of the date the assessment, together with any late fees, costs of collection and attorney's fees are levied; and

b) A personal obligation of the Person who was the Owner of such Lot or of the Persons jointly and severally, who were the Owners of such Lot at the time the assessment was levied. The personal obligation for delinquent assessment shall not pass to successors in title unless expressly assumed by them.

6.2 PURPOSE AND BASIS OF ASSESSMENTS.

a) Annual Assessment for Common Expenses. The Board of Directors shall assess against each Lot and the Owner of the Lot an Annual Assessment for Common Expenses. The Annual Assessment for Lots on which a house has not yet been built will be one-fourth (25%) of the Annual Assessment for Lots on which a house has been built. Said Annual Assessment may include the establishment and maintenance of a reserve fund for the maintenance, replacement, reconstruction and repair of those portions of the Common Areas which the Association has a duty to replace, repair, maintain and/or reconstruct on a periodic basis. Such Annual Assessment

shall be paid by the Owners in the proportion that the number of Lots owned by an Owner bears to the total number of Lots within the Properties. In the event of an unbudgeted expense, the Association shall have the right to borrow from the Exterior Maintenance Fund without interest, to be repaid from the next Annual Assessment for Common Expenses.

b) Exterior Maintenance Assessment. The Association may maintain an Exterior Maintenance Fund for each Dwelling Unit. The Owner of each Dwelling Unit is solely responsible for the cost of maintaining and repairing his or her Lot and Dwelling Unit, including the Service Lines which may extend beyond the boundary of the Lot. The Owner of the Lot and Dwelling Unit may use funds in such Owner's Exterior Maintenance Fund to pay the cost of the Exterior Maintenance of such Owner's Dwelling Unit. In the event the Owner fails to maintain his or her Dwelling Unit in good condition, the Association may perform the necessary exterior repairs or maintenance and pay the cost of such repairs and maintenance from the Owner's Exterior Maintenance Fund. In the event the cost of repairs and maintenance incurred by the Association exceeds the amount on deposit in the Owner's Exterior Maintenance Fund, the Owner shall reimburse the Association for the additional cost within ten (10) days after demand for payment is made by the Association. Any amount not reimbursed to the Association shall be considered an unpaid assessment, shall represent a lien against the defaulting Owner's Lot, and shall be collectible in the same manner as the Association may collect Common Expense Assessments.

The Association shall determine the amount of the Annual Assessment for each Dwelling Unit's Exterior Maintenance Fund based on the size of the Dwelling Unit, which shall include the garage and decks, but shall not include basements or below ground garages. The amount per square foot for each Dwelling Unit shall be determined by the Board of Directors as part of the annual budgeting process.

c) Individual Assessments. The Board of Directors shall have the right to individually assess any Lot and the Owner or Owners of such Lot amounts assessed under paragraphs 7.14, 8.4, 8.10, 8.13, 9.3, 12.3, 12.4, 13.1, 13.2, and 13.3 hereof. No Individual Assessment shall be assessed until: (i) the Owner or Owners to be charged have been given thirty (30) days' notice as to the reason for the assessment, (ii) the Owner or Owners to be charged have had an opportunity for a hearing before the Board of Directors, and (iii) the Board of Directors levies the assessment by an affirmative vote of a majority of all members of the Board of Directors.

d) Insurance Assessment. The Board of Directors shall assess each Owner of a Dwelling Unit a prorata share of the premium for the blanket hazard insurance coverage for the Dwelling Units. The premium shall be prorated based on the amount of the insurance coverage requested by each Owner for such Owner's Dwelling Unit.

e) Fines. The Board of Directors shall have the right to levy a fine against an Owner or Owners for each violation of this Amended and Restated Declaration, the Bylaws, the Amended and Restated Articles and the Rules and Policies of the Association. No such fine shall be levied until the Owner or Owners: (i) have been given notice as to the reason of the fine, (ii) the Owner or Owners to be charged have had the opportunity for a hearing before the Board of

Directors, and (iii) the Board of Directors levies the fine by an affirmative vote of a majority of all members of the Board of Directors.

Fines may be levied in a reasonable amount as determined from time to time by the Board of Directors in its discretion and uniformly applied.

f) Levy of Assessments. At least thirty (30) days prior to the close of the Association's fiscal year, the Board of Directors shall determine the Insurance Assessment, the Annual Assessment for Common Expenses and the Exterior Maintenance Assessment, all of which shall be payable annually by the Owners. Notice of such Assessment shall be sent to every Owner subject thereto.

The omission or failure of the Board of Directors to levy the Assessments for any period shall not be deemed a waiver, modification or a release of the Owners from their obligation to pay Assessments.

Fines and Individual Assessments may be levied at any time as required.

g) Non-exemption. No Owner may waive or otherwise escape liability for any assessments provided for herein by the non-use of the Common Areas or abandonment of his or her Lot.

6.3 SPECIAL ASSESSMENTS. In addition to any assessments authorized above, the Board of Directors may levy, in any assessment year, a Special Assessment for the purpose of defraying, in whole or in part, any unexpected expense to include, but, not be limited to, the cost of any construction, reconstruction, repair or replacement of any of the Common Areas.

6.4 DUE DATE, NONPAYMENT OF ASSESSMENTS, REMEDIES OF THE ASSOCIATION.

a) Fines and Individual Assessments shall be due and payable as established by the Board of Directors.

b) The Annual Assessment for Common Expenses, the Exterior Maintenance Assessment and Insurance Assessment shall be levied and paid on an annual basis. Special Assessments shall be due and payable as established by the Board of Directors.

c) Notice of all assessments shall be sent to each Owner subject thereto specifying the type of assessment, the amount and the date such assessment is due.

d) All assessments shall become delinquent unless paid by their due date. If such assessments are not paid by their due date, the Owner obligated to pay such assessment may be required to pay a reasonable late fee, as determined by the Board of Directors from time to time in its discretion and uniformly applied.

In the event it shall become necessary for the Board to take any action to collect any delinquent assessments, whether by foreclosure of a lien hereinafter created or otherwise, the delinquent Owner shall pay, in addition to the assessment and late fees herein provided, all costs of collection including reasonable attorney's fees and costs incurred by the Association in enforcing payment. In the event a "Notice of Lien" is filed, the cost of preparation, filing and release shall be considered a cost of collection.

e) The Association is hereby granted a lien against the Owner's Lot for any payment of an assessment which the Owner fails to make as required by this Amended and Restated Declaration. The lien of the assessments together with late fees, fines, costs of collection and attorneys' fees provided for herein, shall be subordinate to the lien of any loan evidenced by a first mortgage of record (including deed of trust). Such lien shall attach at the time of levy of the assessment, and continue until such assessment, together with late fees and all costs of collection including reasonable attorney's fees are paid.

The lien hereby given shall also be a lien upon all of the rent and profits of the encumbered Lot; provided, however, the lien shall be subject and subordinate to the rights of any First Mortgagee of a Lot under any assignment of rents given in connection with a first mortgage or deed of trust.

If a foreclosure action is filed to foreclosure any assessment lien, and an Owner abandons or leaves vacant his or her Dwelling Unit, the Association may apply for the appointment of a receiver for the Dwelling Unit without prior notice to the Owner. The rights of the Association shall be expressly subordinate to the rights of any First Mortgagee as set forth in its deed of trust or mortgage (including any assignments of rents which creates that First Mortgagee's interest in the Lot).

In addition to the lien herein granted, the Board shall have the right to bring an action at law against any Owner who fails to pay any amounts assessed against his or her Lot, and obtain judgment for the amount of the assessments due together with late fees, plus all costs of collection, including reasonable attorney's fees, in collecting the judgment.

f) The lien hereby created may be foreclosed as provided by the laws of the State of Colorado for foreclosure of a mortgage. The acceptance of a deed to a Lot subject to this Amended and Restated Declaration shall constitute a waiver of the homestead exemption as against such assessment lien.

g) All Assessments, charges, and fees of the Association shall be a continuing lien upon the Lot against which each Assessment is made. A lien under this Section is prior to all other liens and encumbrances on a Lot, except liens for real estate taxes and other governmental assessments or charges against the Lot. A lien under this Section is also prior to all security interests including a first mortgage or deed of trust in an amount equal to the Assessments which would have become due, in the absence of acceleration, during the six (6) months immediately preceding institution of an action to enforce either the Association's lien or a first mortgage, deed of trust or other security instrument. (Six months Assessments is the formula to be used to determine the amount of money due to the Association that will have priority over a first mortgage,

deed of trust or other security instrument. The amount of money that is equal to six months Assessments shall have priority over a first mortgage, deed of trust or other security interest regardless of when the delinquent Assessments were made or became due which shall include the period of time from the date a foreclosure proceeding is commenced to the date a deed is issued to the purchaser at the foreclosure sale.) If a holder of a first mortgage, deed of trust or other security instrument in a Lot forecloses that mortgage, deed of trust or other security instrument, the purchaser at the foreclosure sale is not liable for any unpaid Assessments against the Lot which became due before the sale, other than the Assessments which are prior to the first mortgage, deed of trust or other security instrument under this Section. Any unpaid Assessments not satisfied from the proceeds of sale become Common Expenses collectible from all Owners, including the purchaser of the Lot at the foreclosure sale. In all other cases, the sale or transfer of any Lot shall not affect the lien for Assessments. No such sale, transfer, foreclosure, or other proceeding in lieu thereof, including deed in lieu of foreclosure, shall relieve any Lot from liability for any Assessment or charges thereafter becoming due, nor from the lien thereof. This Section does not affect the priority of mechanics' or materialmen's liens. This Section does not prohibit an action to recover sums for which this Section creates a lien or prohibit the Association from taking a deed in lieu of foreclosure. Sale or transfer of any Lot shall not affect the Association's lien.

h) The Association shall, upon demand and for a reasonable charge, furnish to an Owner, his or her First Mortgagee or title company a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of the assessments against a Lot is binding upon the Association as of the date of its issuance.

6.5 NO OFFSETS. The Committee may condition its approval of any proposed Improvement upon the making of such changes thereto as the Committee may deem appropriate.

7.8 DECISION OF COMMITTEE. The decision of the Committee shall be made within thirty (30) days after receipt by the Committee of all materials required by the Committee. The decision shall be in writing and, if the decision is not to approve a proposed Improvement, the reasons therefore shall be stated. The decision of the Committee shall be promptly transmitted to the Applicant by the Committee.

A majority of the Members of the Committee shall constitute a quorum and a majority vote of the quorum shall constitute the action of the Committee.

7.9 APPEAL TO THE BOARD OF DIRECTORS. 7.13 APPEAL TO THE BOARD OF DIRECTORS OF FINDING OF NONCOMPLIANCE.

If the Committee gives any Notice of Noncompliance, the Applicant may appeal to the Board of Directors by giving notice of such appeal to the Board and the Committee within ten (10) days after receipt of the Notice of Noncompliance by the Applicant. If, after the receipt of a Notice of Noncompliance, the Applicant fails to commence and diligently pursue remediation of such noncompliance, the Committee shall request a finding of noncompliance by the Board of Directors. 7.15 NO IMPLIED WAIVER OR ESTOPPEL. No action or failure to act by the Committee or by the Board of Directors shall constitute a waiver or estoppel with respect to future action by the Committee or the Board of Directors with respect to any Improvement to the same or any other Lot. Specifically, the approval by the Committee of any Improvement shall not be deemed a waiver of any right or an estoppel to withhold approval or consent for any similar Improvement to the same or any other Lot or similar proposals, plans, specifications or other materials submitted with respect to any other Improvement to the same or any other Lot.

7.16 RECORDS OF ACTION. The Committee shall report in writing to the Board of Directors all final action of the Committee and the Board shall keep a permanent record of such action.

All references herein to a "blanket" type policy of property insurance, are intended to denote "Single Entity" insurance coverage.

In addition, any fixtures, equipment or other property within a Dwelling Unit which are to be financed by a First Mortgagee shall be covered in such "blanket" policy.

Such insurance shall at all times represent one hundred percent (100%) of the current replacement cost based on the most recent appraisal of all Dwelling Units as defined above and all insurable improvements in the Common Areas as defined above. The current replacement cost shall not include values for land, foundation, excavation and other items normally excluded therefrom and shall be without deduction for depreciation and with no provision for coinsurance.

Such policies shall also provide:

(a) The following endorsements or their equivalent: No Control Endorsement, Contingent Liability from Operation of Building Laws or Codes Endorsement, Cost of Demolition Endorsement, Increased Cost of Construction Endorsement, Agreed Amount Endorsement, and Inflation Guard Endorsement, if available.

(b) That any "no other insurance" clause expressly exclude individual Owners' policies from its operation so that the property insurance policy purchased by the Board of Directors shall be deemed primary coverage and any individual Owner's policies shall be deemed excess coverage, and in no event shall the insurance coverage obtained and maintained by the Board of Directors hereunder provide for or be brought into contribution with insurance purchased by individual Owners or their First Mortgagees, unless otherwise required by law.

A duplicate original of the policy of hazard insurance, all renewals thereof, and any subpolicies or certificates and endorsements issued thereunder, together with proof of payment of premiums, shall be delivered by the insurer to any Owner and First Mortgagee requesting the same, at least thirty (30) days prior to expiration of then current policy.

The insurance shall be carried naming the Association as the Owner and beneficiary thereof for the use and benefit of the individual Owners, shall provide a standard noncontributory mortgage clause in favor of each First Mortgagee, and shall provide that all claims are to be settled on a replacement cost basis. Any loss covered by the policies carried under this Article shall be adjusted exclusively by the Board of Directors. The Association shall hold any insurance proceeds received in trust for the Owners and their First Mortgagees as their interests may appear. The proceeds shall be disbursed first for the repair or restoration of the damaged Common Areas and Dwelling Units. Owners and First Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Common Areas and Dwelling Units have been repaired or restored.

Title to each Lot is declared and expressly made subject to the terms and conditions hereof, and acceptance by the grantee of a deed or other instrument of conveyance shall constitute appointment of the attorney-in-fact herein provided. All of the Owners constitute and appoint the Association their true and lawful attorney in their name, place and stead for the purpose of dealing with their Dwelling Units upon their damage or destruction as is hereinafter provided. As attorney-in-fact, the Board of Directors of the Association shall have full and complete authorization, power and right to make, execute and deliver any contract or any other instrument with respect to the interest of such Owners which is necessary and appropriate for restoration of the damaged Dwelling Units and Common Areas to be done accordance with paragraphs 12.3 and 12.4 below.

Such appointment of the Association as the attorney-in-fact for all Owners may be revoked and a new attorney-in-fact appointed by an amendment to this Amended and Restated Declaration.

The deductible, if any, on such insurance policy shall be as the Board of Directors shall determine to be consistent with good business practice and consistent with the requirements of the First Mortgagees, not to exceed, however, Five Thousand Dollars (\$5,000) or one percent (1%) of the face amount of the policy whichever is less. Any loss falling within the deductible portion of a policy shall be paid by the Owner of the damaged Dwelling Unit unless such damage is caused by the negligent or intentional acts of the Association.

12.3 REBUILDING OF DAMAGED COMMON AREAS. Any portion of the insurable Common Areas as defined in paragraph 12.2 that are damaged or destroyed shall be repaired or replaced promptly by the Board of Directors unless a "Declaration Not to Rebuild" signed by Owners of Lots to which at least sixty-seven percent (67%) of the votes in the Association are allocated and by First Mortgagees holding mortgages on Lots which have at least sixty-seven percent (67%) of the votes of the Lots subject to first mortgages within the Properties is recorded in the office of the County Clerk and Recorder, Larimer County, Colorado, within one hundred (100) days of the date of damage or destruction indicating their intention not to rebuild.

In the event of any repair and/or reconstruction of any portion of the Common Areas, the Board of Directors shall promptly repair or reconstruct the same in a workmanlike manner substantially in accordance with this Amended and Restated Declaration and in accordance with the original plans and specifications for such Common Areas unless other action is approved by Members to which at least sixty-seven percent (67%) of the votes in the Association are allocated and the approval of First Mortgagees holding mortgages on Lots which have at least sixty-seven percent (67%) of the votes of the Lots subject to first mortgages within the Properties.

The Board of Directors shall not be relieved of this obligation to repair and/or reconstruct by the fact that proceeds received from the insurer to repair or rebuild are not sufficient to cover the cost thereof.

In the event of repair and/or reconstruction, the proceeds of any insurance collected shall be available to the Association for the purpose of repair and/or reconstruction. If the insurance proceeds are insufficient to properly repair and/or reconstruct the damaged Common Areas, such excess cost shall be assessed as an Individual Assessment against all Owners in accordance with paragraph 6.2(c) hereof and not as a Special Assessment and such assessment shall be exempt from any special voting requirements of the Owners. Such Individual Assessment shall be assessed in the same proportion as the Annual Assessment for Common Expenses is assessed in paragraph 6.2(a) hereof. Further Assessments may be made in a like manner if the amounts collected prove insufficient to complete the repair and/or reconstruction. In the event amounts collected are in excess of the amounts required for such repair and/or reconstruction, the excess shall be returned to the Owners by the Association in the same proportion as the assessment was levied.

If any portion of the damaged Common Areas are not repaired or replaced, the insurance proceeds shall be used to restore the damaged Common Areas to a condition compatible with the remainder of the Common Areas and the remainder of the proceeds shall be distributed to all Owners in the same proportions as the Annual Assessment for Common Expenses is made and

shall be distributed by checks made jointly payable to the Owners and their respective First Mortgagee. No Owner or other party shall be entitled to priority over a First Mortgagee with respect to any such distribution.

12.4 REBUILDING OF DAMAGED DWELLING UNITS. In the event of damage to or destruction of a Dwelling Unit, the Owner shall promptly repair or reconstruct the same in a workmanlike manner substantially in accordance with the original plans and specifications for the original structure. The Owner shall not be relieved of the obligation to repair or rebuild by the fact that proceeds received from any insurance are not sufficient to cover the cost thereof. In the event of repair and/or reconstruction, the proceeds of any insurance carried by the Association shall be available for the purpose of repair and/or reconstruction. If the insurance proceeds are insufficient to properly repair and/or reconstruct the damaged Dwelling Units, the Owner shall pay any additional costs. In the event insurance proceeds collected are in excess of the amounts required for such repair and reconstruction, the excess shall be paid to the Owner of the damaged or destroyed Dwelling Unit.

In the event the Owner fails or refuses to repair or reconstruct the damaged Dwelling Unit, the Association shall have the right, but not the obligation, to repair and/or reconstruct the Dwelling Unit in accordance with the original plans and specifications for the original structure. In such event, the proceeds of any insurance carried by the Association or the Owner shall be available for the purpose of paying the cost of such repair or reconstruction. If the insurance proceeds are insufficient to properly repair and/or reconstruct the damaged Dwelling Unit, the Association shall assess the additional cost against the Owner and the Lot upon which the damaged or destroyed Dwelling Unit is located as an Individual Assessment in accordance with paragraph 6.2(c) hereof, and not as a Special Assessment, and such Individual Assessment shall be exempt from any special voting requirements of the Owners.

If, in repairing or reconstructing a damaged or destroyed Dwelling Unit, the Owner thereof desires to make any changes from the original plans and specifications for the original structure, all such changes shall be submitted to and approved by the Committee prior to commencement of the reconstruction or repair.

12.5 LIABILITY INSURANCE. The Board of Directors shall obtain and maintain comprehensive general liability (including libel, slander, false arrest, and invasion of privacy) and property damage insurance covering all of the Common Areas, Roads and any other areas that are under the Association's responsibility and commercial spaces owned by the Association whether or not they are leased to some third party insuring each officer, director, the Managing Agent and each Owner, to include Aspen Brook in its capacity as an Owner and/or Managing Agent. Such coverage under this policy shall include, without limitation, the legal liability arising out of lawsuits relating to employment contracts in which the Association is a party.

The Board of Directors shall review such limits once each year, but in no event shall such insurance be less than One Million Dollars (\$1,000,000) covering all claims for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Reasonable amounts of "umbrella" liability insurance in excess of the primary limits may also be obtained.

12.6 FIDELITY INSURANCE. The Board of Directors shall obtain and maintain adequate fidelity insurance coverage, to protect against dishonest acts on the part of the Directors, officers, agents, trustees, employees or volunteers of the Association and all others who handle or are responsible for handling funds collected and held for the benefit of the Association.

Such fidelity coverage shall name the Association as the named insured, and be written in an amount sufficient to cover the maximum funds that will be in the custody of the Association or its Managing Agent at any time while the insurance is in force. In addition, the fidelity insurance coverage must at least equal the sum of three (3) months assessments on all Lots, plus the Association's Reserve Funds, and contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of "employee" or similar expression.

In the event the Association has delegated some or all of its responsibility for the management of its funds to a Managing Agent, such Managing Agent may be covered by its own fidelity insurance providing the same coverage required of the Association's Agent's fidelity insurance and evidence of such coverage must be submitted to the Association. The Association shall reimburse the Managing Agent for the cost of such insurance.

12.7 ADDITIONAL INSURANCE.

(a) If the area where the Properties are located has been identified by the Secretary of Housing and Urban Development (HUD) or the Director of the Federal Emergency Management Agency (FEMA) as a Special Flood Hazard Area, flood insurance for the Properties shall be maintained providing coverage equivalent to that provided under the National Flood Insurance Program in an amount of one hundred percent (100%) of the Properties current replacement cost.

The Association must also maintain coverage for all Dwelling Units and all insurable improvements located upon the Common Areas for one hundred percent (100%) of their replacement cost as defined above. A separate Association endorsement is required if not already a part of the policy.

Deductibles may not exceed the lower of Five Thousand Dollars (\$5,000) or one percent (1%) of the face amount of the coverage. Any loss falling within the deductible portion of a policy shall be paid by the Owner of the damaged Dwelling Unit unless such damage is caused by the negligent or intentional acts of the Association.

If the Properties at the time of the recording of this Amended and Restated Declaration are not identified as a Special Flood Hazard Area but become reclassified at a later date as such then the Board of Directors shall obtain flood insurance for the Properties in accordance with the above. Conversely flood insurance may be discontinued under certain conditions, as determined by the Board of Directors.

(b) Adequate Directors and officers liability insurance, if available, and if deemed consistent with good business practices, for errors and omissions on all Directors and officers to be written in an amount which the Board of Directors deems adequate;

(c) Workmen's Compensation and Employer's Liability Insurance and all other similar insurance with respect to employees of the Association in the amount and in the forms now or hereafter required by law;

(d) Such other insurance of a similar or dissimilar nature, as the Board of Directors shall deem appropriate with respect to the Properties; and

(e) If it is determined by a First Mortgagee that the existing coverages do not adequately protect the Properties, the Board of Directors shall obtain such additional coverages as may be required by any First Mortgagee.

12.8 PAYMENT OF INSURANCE PREMIUMS. The cost of the insurance obtained by the Association in accordance with this Article, other than the insurance referred to in paragraph 12.2 hereof pertaining to the blanket "all-risk" policy insuring all of the Dwelling Units shall be paid from Association funds and shall be collected from the Owners as part of the Annual Assessment for Common Expenses as provided for in paragraph 6.2(a) hereof.

The cost of procuring and maintaining the blanket "all-risk" policy, as provided in paragraph 12.2 hereof, insuring the Dwelling Units, shall be paid for from Association funds and be collected from the Owners of such Dwelling Units in the following manner: the cost of insurance attributable to the Owner's Dwelling Unit for one (1) full year shall be prorated according to the number of days remaining between closing and that Dwelling Unit's insurance policy renewal date and shall be paid at closing. Thereafter, the cost of such insurance shall be paid by the Owner as an Insurance Assessment in accordance with paragraph 6.2(d) hereof commencing with the first assessment after closing.

12.9 SEPARATE INSURANCE. Each Owner shall have the right, at such Owner's expense, to obtain insurance for his or her Dwelling Unit for his or her own benefit and to obtain insurance coverage upon his or her personal property, furnishings and for his or her personal liability; provided, however, that no Owner shall be entitled to exercise his or her right to acquire or maintain such insurance coverage so as to decrease the amount which the Board of Directors, on behalf of all Owners, may realize under any insurance coverage maintained by the Board or to cause any insurance coverage maintained by the Board to be brought into contribution with insurance coverage obtained by an Owner. All such policies shall contain waivers of subrogation. No Owner shall obtain separate insurance policies except as provided in this paragraph.

ARTICLE THIRTEEN: MAINTENANCE

13.1 MAINTENANCE OF THE COMMON AREAS. The Association shall provide for the repair, maintenance and/or replacement of the Common Areas. Without limiting the generality of the foregoing and by way of illustration, the Association shall keep the Common Areas safe, attractive, clean, functional, and in good repair and may make necessary or desirable alterations or improvements thereon.

In the event such repair, maintenance and/or replacement results from the willful or negligent acts of an Owner or such Owner's Guest, as defined herein, the Board of Directors shall have the right, after notice and hearing and upon approval by a majority vote of the total votes of all the Directors, to charge the costs of such repair, maintenance and/or replacement, to such Owner by an Individual Assessment in accordance with paragraph 6.2(c) hereof. Determination with respect to whether or not a particular activity or occurrence shall constitute a violation of this paragraph 13.1 shall be made by the Board of Directors and shall be final.

No planting or gardening shall be done, and no fences, hedges or walls shall be erected upon the Common Areas to benefit a Dwelling Unit, except such as are installed in accordance with the initial construction of the Dwelling Unit or as approved by the Committee. If such improvements are made to the Common Areas, then such improvements must be maintained by the Owner of the Dwelling Unit benefited in a manner acceptable to the Board of Directors. In the event the Owner shall fail to maintain such improvements in a manner acceptable to the Board of Directors, the Board of Directors shall have the right, after notice and hearing and upon approval by a majority vote of the total votes of all of the Directors, to remove the improvement and restore the Common Areas to a condition compatible with the remainder of the Common Areas. The cost of such removal and restoration shall be charged to the Owner by an Individual Assessment in accordance with paragraph 6.2(c) hereof.

12.2 MAINTENANCE OF THE DWELLING UNITS. All Dwelling Unit maintenance and repair, as well as maintenance of the balance of each Lot including, but not limited to, maintenance, repair, and replacement of water, sewer, gas, electric, telephone, television, internet and other utility Service Lines, systems and facilities that serve the Dwelling Unit from the main Association lines to the Dwelling Unit, whether located on the Lot or within adjacent Common Areas, shall be the sole responsibility and at the sole expense of the Owner of such Lot. However, to provide and maintain exterior harmony for all of the Lots and Dwelling Units located within the Properties, the Association shall have the right, but not the obligation, to maintain and repair the exterior of the Dwelling Unit located upon each Lot within the Properties, to include, but not be limited to, painting; repairing, replacing, and maintaining roofs, decks, gutters, downspouts, exterior building surfaces, individual patios or garden areas within patio walls, entry doors or door frames, and hardware; replacing glass in doors, windows, or screened surfaces; and maintaining, repairing and replacing Service Lines.

If the Association performs any maintenance or repair of any Dwelling Unit, Lot or Service Line, the Association shall charge the costs of such repair, maintenance, and/or replacement to the Owner of the Lot by an Individual Assessment against the Owner and the Lot in accordance with paragraph 6.2(c) hereof. Determination of whether such repair or maintenance is necessary shall rest solely with the Board of Directors, which shall also have the sole responsibility for determining the kind and type of materials used in such repair and maintenance.

The Association shall have the right, but not the obligation, to require each Owner to deposit with the Association a reserve maintenance fund to be used by the Association to cover the cost of maintenance and repairs made by the Association pursuant to this Section 13.2. If a reserve fund is established, the Association shall have the right to draw on such fund to pay the

cost of maintenance and repairs performed by the Association. The Association shall have the right to borrow from the Exterior Maintenance Funds to provide for unbudgeted expenses to be repaid from the next Annual Assessment.

13.3 ASSOCIATION RIGHT. The determination of when and the magnitude and the manner of the above-described maintenance and repair and the amount of any reserve fund shall be determined solely at the discretion of the Board of Directors. Access to all of the Lots and Common Areas within the Properties to perform such repair, maintenance, and/or replacement by the Board of Directors and its agents and employees shall be made pursuant to the maintenance easement granted in accordance with paragraph 9.5 hereof.

ARTICLE FOURTEEN: CERTAIN RIGHTS OF THE FIRST MORTGAGEES

14.1 ENTITLEMENT. A First Mortgagee, upon written request by such First Mortgagee to the Association, shall be entitled to timely receive any of the following:

(a) Budgets, notices of assessments, or any other notices provided for under this Amended and Restated Declaration by the Association to the Owner of a Dwelling Unit in which a First Mortgagee has a security interest;

(b) Financial statements of the Association which are prepared for the Association and distributed to its Members;

(c) Notices of meetings of the membership and the right to be represented at any meeting by a designated representative;

(d) Notice of the decision of the Owners to make any material amendment to this Amended and Restated Declaration;

(e) Notice of the commencement of any condemnation proceedings with respect to any part of the Properties;

(f) Notice of any default by an Owner of a Lot in which a First Mortgagee has a security interest in the performance of any obligation under this Amended and Restated Declaration, which remains uncured for a period of sixty (60) days;

(g) Notice of any lapse, cancellation or material modification of any hazard or liability insurance policy or fidelity bond maintained by the Association;

(h) Any condemnation loss or casualty loss which affects a material portion of the Properties or any Dwelling Unit in which a First Mortgagee has a security interest; and

(i) Notice of any proposed action contained in paragraph 14.3 and 14.4 hereof, requiring the consent of the First Mortgagee.

The request of a First Mortgagee shall specify which of the above it desires to receive and shall indicate the address to which the information or notice shall be sent by the Association. The Association need not inquire into the validity of any request made by a First Mortgagee hereunder and in the event of a multiple request by the First Mortgagee of the same Dwelling Unit, the Association shall honor the most recent request received.

14.2 PAYMENT OF CHARGES. First Mortgagees, jointly or singularly, may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on a lapse of a policy and may also pay taxes and other charges which are in default or which have or may become a charge against the Common Areas. A First Mortgagee making such payments shall be owed immediate reimbursement from the Association.

14.3 RESTRICTIONS. The consent of the Owners of Lots to which at least sixty-seven percent (67%) of the votes in the Association are allocated and the approval of those First Mortgagees holding mortgages on Lots which have at least sixty-seven percent (67%) of the votes of the Lots subject to first mortgages shall be required to amend any material provisions of this Amended and Restated Declaration which establish, provide for, govern or regulate any of the following:

(a) Assessments, the manner of assessment liens or the subordination of such assessment liens;

(b) Reserves for the maintenance, repair and replacement of the Common Areas and the exterior of the Dwelling Units;

(c) Insurance or fidelity bond;

(d) Right to use of the Common Areas;

(e) Responsibility for maintenance and repair of the Common Areas and exterior of the Dwelling Units and Lots;

(f) The expansion or contraction of the Properties or the addition, annexation or withdrawal of property to and from the Properties;

(g) Imposition of any right of first refusal or similar restriction on the right of any Owner to sell, transfer, or otherwise convey a Lot;

(h) A decision by the Association to establish self management when professional management has been required previously by a First Mortgagee;

(i) Restoration or repair of the Properties (after a hazard damage or partial condemnation) in a manner other than as specified in this Amended and Restated Declaration;

(j) Any action to terminate the legal status of the Association after substantial destruction or condemnation occurs, or for reasons other than substantial destruction or condemnation of the Properties; and

(k) Any provisions of this Amended and Restated Declaration, the Amended and Restated Articles of Incorporation, or Bylaws which specifically grants rights to First Mortgagees thereunder.

14.4 SPECIAL FNMA/FHLMC PROVISIONS. So long as required by the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to the provisions of paragraph 14.3 above. Unless sixty-seven percent (67%) of the First Mortgagees (based upon one vote for each first mortgage owned) and sixty-seven percent (67%) of the Owners give their prior written approval, the Association shall not be entitled to:

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Areas. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas by the Association shall not be deemed a transfer within the meaning of this paragraph.);

(b) Fail to maintain hazard and extended coverage insurance on insurable Common Areas and the Dwelling Units on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost);

(c) Use hazard insurance proceeds received for losses to any part of the Common Areas or Dwelling Units for other than repair, replacement or reconstruction of such Common Areas or Dwelling Units;

(d) Change the method of determining the assessments which may be levied against an Owner;

(e) By act or omission change, waive or abandon any scheme of regulations, or the enforcement thereof, pertaining to the architectural design or exterior appearance of the Dwelling Units or the maintenance of the Common Area; and

(f) By act or omission seek to abandon the scheme of Planned Unit Development or the removal of any part or all of the Properties from the provisions of this Amended and Restated Declaration.

14.5 BOOKS AND RECORDS. Owners and their First Mortgagees shall have the right to examine and copy the books and records of the Association at any reasonable time at the office of the Association upon reasonable notice.

ARTICLE FIFTEEN: DURATION

The covenants, restrictions and obligations of this Amended and Restated Declaration shall run with and bind the land in perpetuity unless amended or terminated as herein provided.

ARTICLE SIXTEEN: AMENDMENTS

16.1 AMENDMENTS. Except as otherwise provided in this Amended and Restated Declaration, this Amended and Restated Declaration may be altered or amended in whole or in part at any time by the affirmative vote of the then record Owners of sixty-seven percent (67%) or more of the Lots; provided, however, that provisions of this Amended and Restated Declaration granting access to each Lot from a public street, road, or highway may not be amended without the consent of all Owners and all First Mortgagees, and provisions of this Amended and Restated Declaration pertaining to the maintenance of the Common Areas, including the Roads may not be amended without the consent of Larimer County. To the extent this Amended and Restated Declaration requires First Mortgagees to approve or consent to any amendment to this Amended and Restated Declaration, the Association may send a dated, notice and a copy of any proposed amendment by certified mail to each First Mortgagee at its most recent address as shown on the recorded deed of trust or recorded assignment thereof. In addition, the Association may cause the dated notice, together with information on how to obtain a copy of the proposed amendment, to be printed in full at least twice, on separate occasions at least one week apart, in a newspaper of general circulation in Larimer County. A First Mortgagee that does not deliver to the Association a negative response within sixty (60) days after the date of the notice shall be deemed to have approved the proposed amendment.

16.2 SECRETARY'S CERTIFICATE. The requirements of paragraph 16.1 hereof may be established by the recordation of a certificate of the Secretary of the Association, certifying that Owners representing the requisite percentage of the Lots, and that the requisite percentage of First Mortgagees, if required, have given consent to the amendment.

ARTICLE SEVENTEEN: GENERAL PROVISION

17.1 ENFORCEMENT. Enforcement of this Amended and Restated Declaration shall be by appropriate proceedings at law or in equity against those persons or entities violating or attempting to violate any covenant, condition, or restriction herein contained. Such civil action shall be for the purpose of removing a violation, restraining a future violation, for recovery of damages for any violation, or for such other and further relief as may be available. Such civil action may be prosecuted by an Owner, by the Committee, or by the Association. In the event it becomes necessary to commence a civil action to enforce or defend this Amended and Restated Declaration, the court shall award to the prevailing party in such civil action, in addition to such damages as the court may deem just and proper, an amount equal to the costs, reasonable attorney's fees and costs of collection incurred by the prevailing party in connection with such civil action. The failure to enforce or to cause the abatement of any violation of this Amended and Restated Declaration shall not preclude or prevent the enforcement thereof or of a further or continued violation, whether such violation shall be of the same or of a different provision of this Amended and Restated Declaration. For any

failure to comply with the provisions of this Amended and Restated Declaration, the Association, any Owner, or any class of Owners adversely affected by the failure to comply may seek reimbursement for collection costs and reasonable attorneys' fees and costs incurred as a result of such failure to comply, without the necessity of commencing a civil action. Notwithstanding any other provision of this Amended and Restated Declaration, in connection with any claim in which an Owner is alleged to have violated a provision of the documents and in which the court finds that the Owner prevailed because the Owner did not commit the alleged violation:

(a) the court shall award the Owner reasonable attorneys' fees and costs incurred in asserting or defending the claim; and

(b) the court shall not award costs or attorneys' fees to the Association. In addition, the Association shall not allocate to the prevailing Owner's account any of the Association's costs or attorneys' fees incurred in asserting or defending the claim.

17.2 SUCCESSORS AND ASSIGNS. This Amended and Restated Declaration shall be binding upon and shall inure to the benefit of Aspen Brook, the Association and each Owner and the heirs, personal representatives, successors and assigns of each of them.

17.3 SEVERABILITY. Any portion of this Amended and Restated Declaration invalidated in any manner whatsoever shall not be deemed to affect the validity, enforceability or effect of the remainder of this Amended and Restated Declaration, and in such event, all of the remaining provisions of this Amended and Restated Declaration shall continue in full force and effect as if such invalid provision had never been included herein.

17.4 NO WAIVER. No provision contained in this Amended and Restated Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

17.5 NOTICE. Notice of matters affecting the Association may be given to Owners by the Association or by other Owners in the following manner: notice shall be hand delivered, sent prepaid by United States mail to the mailing address of each Lot or to any other mailing address designated in writing by the Owner to the Association, or sent by electronic mail. Such notice shall be deemed given when hand delivered, when deposited in the United States mail or when sent by electronic mail.

17.6 ALTERNATIVE DISPUTE RESOLUTION. The Board may adopt protocols that make use of mediation or arbitration as alternatives to or preconditions of the filing of any litigation between an Owner and the Association in situations that do not involve an eminent threat to the peace, health or safety of the Association. The Association shall adopt a written policy setting forth its procedures for addressing disputes arising between the Association and Owners, and shall make a copy of the policy available upon request of an Owner.

17.7 CAPTIONS. The captions and headings in this Amended and Restated Declaration are for convenience only, and shall not be considered in construing any provision of this Amended and Restated Declaration.

17.8 NUMBERS AND GENDERS. Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural, plural the singular, and the use of any gender shall include all gender.

17.9 COUNTERPART SIGNATURES. This Amended and Restated Declaration may be executed in any number of counterpart copies. The signature page from each counterpart copy shall be attached hereto and when signature pages from the then-record Owners of sixty-seven percent (67%) or more of the Lots have been attached to this instrument, it shall be recorded in the office of the Clerk and Recorder of Larimer County, Colorado, and shall thereafter run with the Properties and be binding upon and inure to the benefit of all parties having any right, title or interest in the Properties or any portion thereof, their heirs, personal representatives, successors and assigns.
